Dear Kimberly:

On behalf of the Town of Bolton, I have reviewed your email approval for Phase III PCB remediation work including conditions and accept the conditions as listed. The work will begin on June 24, 2011 and is scheduled to be completed by July 27th. For our outreach activities to the school community on the PCB remediation work, letters will be distributed to all staff and parents. In addition, we will post the information on the Town's and school's websites. Copies of materials will be sent to you and CTDEP.

If you require any additional information or have any questions, please do not hesitate to contact me.

Sincerely,

Joyce M. Stille  
Administrative Officer
